Lettings Policy 2021/22

Introduction

The Governors Finance Committee endorses the principles of maximising the use of the school as a community resource and forming working partnerships within the Community and other Community Groups.

Lettings deal with the occupation of the school premises outside normal hours whilst ensuring that such use does not impair the efficiency of these facilities for normal school use.

There will be an annual review of lettings charges in the Autumn of each year.

Requests for lettings must be approved by the Governors Finance Committee. In practice this function will be delegated to the Director of Business & Finance in charge of Site and Buildings.

All lettings must meet with the Conditions of Use and all Health and Safety requirements as detailed in this policy.

Criteria:

Directed lettings to be agreed in advance following consultation with the Business Director and Executive Head teacher.

Other lettings will consist of school use, community use and private lettings. For school use there will be no charge. Community and Private lettings will be as in the published scale of fees.

INSURANCE ARRANGEMENTS

The Authority has negotiated a special insurance policy which obviates the need for some individuals, and some organisations to obtain separate third party liability insurance cover which, for certain groups of hirers, may be expensive, relative to their limited finances. The Council's insurer's insist that this Policy is now based on their standard policy wording and that for the policy to operate, schools must enter into a formal Lettings Agreement with all hirers of school premises. The Agreement must be based on the attached lettings agreement and must incorporate the Conditions of Use.

In order to comply with the County Council's insurer's requirements schools must ensure that :

1. that there is a lettings policy in place;
2. that all lettings are subject to a formal agreement between the hirer and the school;
3. that hirers have read and understood the Conditions of Use, and have signed the letting agreement to confirm their acceptance of the Conditions;
4. that schools have devised their own documentation that they include, as a minimum, the provisions in the Conditions of Use.

It is important that both schools and hirers understand when the Third Party Hirer's Policy will apply and when hirers will need to provide their own public liability cover. The policy will not apply in respect of the use of the premises for the following:

- (a) meetings organised by political parties
- (b) professional entertainment promotions
- (c) commercial or business use
- (d) hire of playing fields UNLESS as part of a hiring for the school buildings. Where only the playing fields are hired separately, public liability insurance must be in place to protect any legal liability attaching to the hirer.

The policy only applies whilst the individual/organisation is using Council premises. Where individual's / organisations activities are excluded from the Policy, the hirer must have Public Liability Insurance in their own name with a Limit of Indemnity of at least £5,000,000.

The lettings agreement Application for hire of school requires hirer's to confirm either that their activities fall under the County Council's Third Party Hirer's Policy or that they will provide their own cover. Schools must ensure that it is clear which alternatives applies to each letting.

The Third Party Hirer's Insurance Policy - Summary of Cover should be shown to all prospective hirer's to determine whether or not they can take advantage of the County Council's Policy. When an application for the letting of a school is approved the hirer is required to sign the Agreement to confirm that they will abide by the Conditions of Use and that they understand the public liability insurance position.

INSURANCE THIRD PARTY HIRER'S INSURANCE POLICY - SUMMARY OF COVER

The policy will indemnify the insured (the Hirer) against all sums, which the insured shall become legally liable to pay as compensation arising out of:

(a) accidental injury to any person (other than an employee of the Hirer if such injury arises out of and in the course of employment by the Hirer)

(b) accidental damage to the premises or the contents of the premises subject to the liability of the insurer not exceeding £100,000 in any one claim in respect of legal liability which attaches to the Hirer solely by reason of the agreement that would have not attached in the absence of such agreement.

(c) accidental damage to other property not belonging to nor in the custody or control of the Hirer or of any person in the Hirer's service.

occurring during the period of insurance arising out of the activities of the Hirer at the premises, 5.
